PLANETARY ROLES

Sun:

You have Sun in your 7th house. Here the Sun is at its weakest disposition as this is the house of Libra in Kaal Purush Kundli, natural place of debilitation for Sun. It causes stiffness in business partnerships and even marriage unless balanced by other factors. This is also a placement which will make you a notable person if not famous as 7th is the house of public image and societal influence.

Moon:

This is usually an unfavourable placement for moon as it causes numerous problems with one's mother. Mother's role in the life of such individuals is generally inert and submissive. 8th is the house of hidden events, hence the emotions of the individual remain submerged into an underground world. Such people are highly research oriented and well informed on the events occurring around them. Again Moon gets debilitated in this house hence these people are not good in expressing themselves in public. Mars:

Mars:

is placed in your 5th house. It is generally a friendly house for Mars as this house belongs to Sun and Jupiter. 5th house signifies one's education, talents, intelligence, prodigal abilities, political bent of mind, etc. Mars is an aggressive planet as you might know; therefore it creates an extreme

energy reservoir in the respective house of its placement. You could be a weak child in school or perhaps you were not very sorted in your academics. You may have been a hard working and intelligent kid but must have struggled to score well in exams.

Mercury:

Not quite well placed in your chart, mercury in 8th house gives isolation and hesitation in communicating your thoughts and opinions. Given to the placement of Mars, your school years must have been tough for you in several spheres. Mercury in 8th along with the moon gives a highly sensitive skin prone to skin problems. This position however gives supportive in-laws, especially the mother in-law in your case

Jupiter:

TMMy special comment on this placement of Jupiter in your chart would be that you will have too many professional relationships converted into deep friendships. You're very likely to pick friends at your workplace. Given to other conjunctions, your superiors and bosses would become your quick friends as you grow in your work. You may even have your family members as your colleagues.

Venus:

This is certainly not a malefic placement for Venus. 8th house is the house of death and rebirth which means resurrection. This placement ensures a major turn of events in your life after marriage. You will gain support both emotionally and financially from your in-laws. However such placement along with the moon makes you a compulsive shopper as the desires for showcasing your possessions would repetitively arise deep within your unconscious mind. This habit of yours could be an inherited trait from one of your mother's sibling.

Saturn:

This is the best placement for Saturn for two reasons, firstly it's naturally exalted in this house, and secondly it gains directional strength which is the ultimate gain for a planet. Now this placement is the game changer for your entire horoscope. Saturn is a planet which has its roots in your karmas. It's primarily the most important planet for your career and professional success. Badly placed Saturn in anyone's chart will never deliver a promising career. 7th placement of Saturn gives a matured, elder and a serious partner for who marriage extends beyond the domain of romance. Such partners consider marriage as more of a duty and responsibility just like their careers which is why they're able to maintain discipline and structure in their marriage. Such marriages are based on the realistic principles and are likely to last a lifetime. Such partners do not compromise on the essentials of a conjugal life and do not hesitate to criticize the misconducts of their loved ones.

Rahu/Ketu:

North Node and South Node as they're popularly known, these are the shadowy planets in

Astrology and they have deep rooted connection with one's past life. These planets are known for the unfulfilled desires of one's previous lives where Rahu is all about chasing them and Ketu is meant to be emancipating them as per their respective placements in the horoscope. Rahu is in your 5th house which is quite favourable to him. Rahu in 5th grants a will and desire to gain wealth through investments which are speculative in nature. Rahu in the 5th house will make you a highly sociable individual especially with opposite sex. Ketu on the other hand is placed in your 11th house delivering disengagements from higher social structures. You will not be able to fit in an organization with established vertical hierarchies. Ketu in your position will set you back from the credit seeking positions. You will also be very bounteous towards your friends especially from the work place. This placement may get you exploited or put to an advantage
