The brief facts leading to the petition as stated therein is that the marriage between both the petitioners was solemnized on 09-01-12 under the Special Marriage Act. Since the date of their marriage, both the petitioners have been living separately and at present, it is not possible for them to lead a happy conjugal life due to their differences. Having considered all the facts and circumstances, I am of the view that it is a fit case where the dissolution of marriage on mutual consent as sought by the petitioners should be granted. Both the petitioners have been living separately for more than one year as their relation broke down. Both the petitioners are matured enough aged 30 & 28 years respectively and have agreed to put an end to their relation, knowing all consequences.

In the result, the petition is allowed and the marriage between the parties is dissolved by way of divorce on mutual consent.

Prepare a decree accordingly.
