Attendance has been filed on behalf of Md. Sazid and representation has been filed on behalf of remaining 13 accused persons. Record is posted for hearing on petition filed on 11.03.2019 on behalf of the informant Anisur Rahman. Heard learned counsel of both sides, the informant stated in his petition under Section 311 Cr.P.C. that the case record was posted for adducing prosecution evidence meanwhile the case was compromised between both the parties and compromise petition was filed in this case on 05.12.2018 but prior to filing of compromise two prosecution witnesses namely PW-01 Jamir and PW-02 Kurban Ali were examined in this case on contest and so the informant prayed to allow the petition under Section 311 Cr.P.C. and recall PW-01 and PW-02 for their further cross-examination on the point of compromise, the learned counsel on behalf of the accused persons stated that there is case and counter case pending between both the parties and the parties have compromise both the cases and so the defence has no objection if the petition of the informant filed under Section 311 Cr.P.C. is allowed for cross-examining PW-01 and PW-02 in the light of compromise. Heard learned counsel on both the sides and perused the case record. From perusal of the case record it appears that earlier the record was posted for adducing prosecution evidence and now the parties have compromised the case and so for the interest of justice the petition filed on behalf of the informant on 11.03.2019 under Section 311 Cr.P.C. is hereby allowed and the prosecution is directed to produce PW-01 and PW-02 for further cross-examination on behalf of the defence.

Put up on 11.02.2020 for adducing PW-01 and PW-02.
